

# **The Abundance Update**

## **Sept 16<sup>th</sup> 2012 – a big thankyou**

Hello All

Yesterday was a fantastic day! Not only did the sun shine, but we raised some money and had great fun too.

So many people did so many things to make the day a success.

Lots of people donated cakes, pies, jams, chutneys and bags of fruit, or helped on the day, or picked the fruit which was made into so many wonderful things. We would like to thank everyone individually - but quite honestly we don't know all the things everyone did. One of the really nice things about yesterday was that people just took the initiative and did things!

So this is a great big thank you to everyone! Your contribution is really appreciated and means the Abundance fruit picking project can continue for another year. And thanks to everyone who came along, bought things and joined in to give the day a really nice, friendly atmosphere.

Best wishes

Juliet, Daphne, Jo, Ruth, Una, Carole, Kara, Jean-Jacques, Alison, Belinda, Karen, Claire, Corinne and Joyce
